ELECTRIC FIXTURES

To The Trade

Finishes—Fixtures are carried in stock in the different finishes listed below each fixture. We can furnish fixtures in other finishes on short notice. Where prompt shipment is desired, the finishes given in catalogue should be ordered.

Orders for Fixtures—In ordering fixtures be careful to give the number of lights desired; also the finish. This will save delay in filling your order.

Special Fixtures—We have endeavored to show in this catalogue, a large assortment of designs. A great many of the fixtures shown therein, can be made up differently as to lights and arrangement. If you desire any regular fixture made up in a special way, write us giving full description, and we will quote you our lowest price by return mail.

Prompt Shipment—Our aim is to ship all orders the same day received. We feel sure that the trade will agree with us that we ship more promptly than any other house selling electric fixtures.

Terms—Net cash in 30 days or 2% for settlement within 10 days from date of bill. Positively no discount allowed after 10 days.

Credit—We gladly extend credit to those having satisfactory mercantile rating or furnishing us with satisfactory references. In all cases where we do not have this information

to save delay the cash should accompany the order, or we will ship C. O. D. provided a deposit of 25% is made with the order.

Shipment—All goods are F. O. B. cars at Mansfield, and are at purchaser's risk after delivering to the transportation company.

Claims—Claims of any kind must be made on receipt of goods or invoice. Claims for damage to goods in transit must be collected from the transportation companies. Examine all goods before receipting for same and if any damage, have the agent note same on your receipt. We will be glad to assist in putting in claim, or put in claim for you if you desire. If you give the transportation company a clear receipt for damaged goods, we will under no circumstances be held responsible for same. Concealed damage should be reported to the transportation company immediately on discovery, so that notation can be made on freight receipt.

Returned Goods—No goods will be taken back and exchanged unless permission is first received from us. Any goods returned without permission is at the risk of the sender.

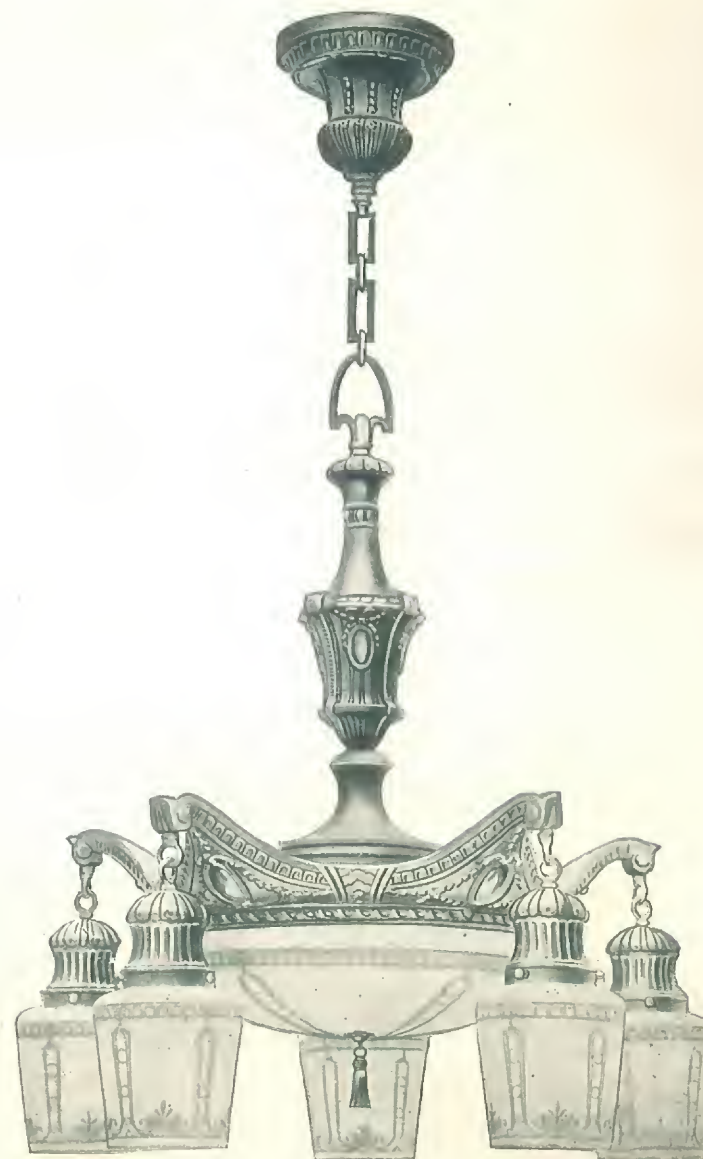

Boxing—Charged at cost. All goods are packed by experienced packers.

The Unit of Day Brightness

The most Efficient light for Office, Store, Factory and Public Buildings

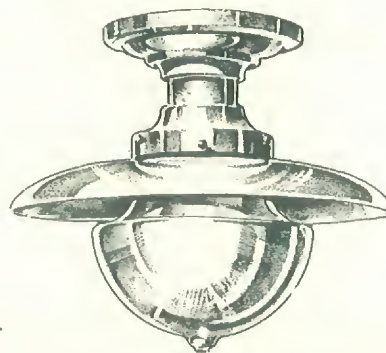

DENZAR softens the glare of the high candle power gas-filled lamps, diffusing the light and furnishing equal and adequate illumination in all directions, without distracting shadows. The lamp is entirely enclosed within the protecting globe, which keeps out all dust and dirt, while the current of air continually passing upward around the lamp prevents overheating, thereby lengthening its life.

Pendant Type DENZAR.
